DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

This communication is to correct a typographical error in the previous Miscellaneous Communication mailed 04 June 2009, done in response to the Administrative Remand to Examiner dated 11 May 2009, discovered by Applicants' representatives. The last sentence of paragraph 1 of the communication states "However, the Examiner does not believe that the claims are statutory under 35 U.S.C. 101". This sentence should state "However, the Examiner does believe that the claims are statutory under 35 U.S.C. 101". The following paragraphs 2-3 explain the Examiner's reasoning behind finding the claims statutory.

The Examiner does not believe the Applicants' need to file a response to these communications.
